Founder's Day 2009

The West Palm Beach Chapter of The Links, Incorporated celebrated Founder's Day November 7-8, 2009. The Chapter was chartered in 1969, and the members are blessed to have the wisdom and insight of two of its founding members, Links Alice Moore and Maxine Bright-Davies.

On November 7, 2009, the Chapter performed a Founder's Day ceremony, honoring its founding members. The two living Charter members were presented with throws embroidered with their names and The Links logo.

On November 8, 2008, the Chapter worshipped together at Tabernacle Missionary Baptist Church. During the service, President Ethel Isaacs Williams gave a history

of the West Palm Beach Chapter of The Links, and presented a donation on behalf of the chapter to Tabernacle's UB Kinsey Educational and Community Center, in honor of Link Jackie Haygood, our dear Link sister who passed away in 2009. Connecting Link J. Michael Haygood was present for the presentation.

Following the church service, Links members, Connecting Links, Heir-O-Links and guests enjoyed a relaxing lunch at the Crowne Plaza Hotel.

The events were organized by the Founder's Day Committee, Links Rosalyn Baker and Destinie Baker, Co-Chairs, and committee members Links Jacqueline Smith, Angela Sweeting, Delores Oliver Calloway, Constance Gonzalez and Flora Jackson.
